

Fed Up With This War?

- This war, now four years old and with no end in sight, is responsible for the loss of over 3,600 American and 600,000 Iraqi lives. Tens of thousands of our soldiers have been wounded.
- In New York state alone, 1,351 young lives have been cut short for a disastrous war based on lies.
- A half-trillion dollars has been spent on the war in Iraq while serious problems at home go unsolved. Endless Billions for war but only pennies for health care, public schools, affordable housing, hurricane relief and bridge maintenance.

**New Yorkers Want This War To End
And Our Troops Brought Home Now!**

**But Vito Fossella is out of step!
Out of step . . . with his Bklyn Colleagues.
Out of step . . . with Bay Ridge voters.**

Just look at his record –

- **May 2007.** Representative McGovern's bill beginning a troop withdrawal in 90 days and removing most of the others in six months.
 - All Brooklyn Congressional Representatives vote "Yes."
 - Vito Fossella votes "NO."
- **July 2007.** Representative Skelton's Responsible Deployment from Iraq Act, requiring a withdrawal of most US troops by April 2008.
 - All Brooklyn Congressional Representatives vote "Yes."
 - Vito Fossella votes "NO."
- **September 2007.** Congressional Letter saying that future funding for Iraq must be for complete, safe withdrawal of all US troops.
 - All Brooklyn Congressional Representatives say "Yes."
 - Vito Fossella says "NO."

Congressman Fossella –

How long will you keep our troops fighting and dying in a war they cannot win?

When will you stand up to the reckless Bush White House?

When will you listen to the voters who elected you and protect our troops by bringing them home?

— CALL VITO FOSSELLA - (718) 630-5277 —

Call Congressman Fossella and tell him to vote against the \$147 billion just requested by the White House unless it includes a timetable for the rapid and complete withdrawal of all American troops from Iraq. Call both Senators, Schumer and Clinton with the same message – (800) 828-0498.
